

## FROMM P403 Combination Plastic Strapping Tool

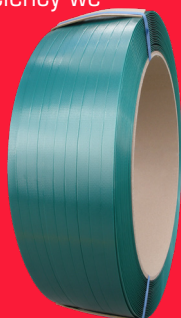

The FROMM P403 Plastic Strap Combination Tool is robust, reliable, simple & cost effective. The P403 is ideally used as a low volume PET strapping tool or as a back-up tool. You can pick up this tool and use it anywhere, anytime as it operates without the need of a power source or any secondary tools.

Whether you need a manual tool that will work reliably, or you need a back-up tool that is always ready when you are, the P403 is the ideal choice.

All equipment is supported by our on-site mobile service team and spare parts are readily available.
