

Shrink Wrap Gun & Films

Heat Shrink Gas Gun

Lightweight & easy to use, the FPA Heat Shrink Gas Gun comes as a complete set - including 8 metre high pressure hose, pressure regulator & cylinder connection.

- Self Igniting
- Flame Guard
- Dead Man's Handle Safety Switch
- Lightweight

Shrink Film

To be used with the FPA heat shrink gas gun, shrink film will shrink & conform to the exact shape of the product once exposed to flame.

- Ideal For Wrapping Irregular Shaped Goods
- No Topsheet Necessary
- Custom Sizes Available
- Printed Options Available

Shrink Bags

To be used with the FPA heat shrink gas gun, shrink bags are an alternative to using shrink film. Simply slip the bag over your pallet & shrink.

- Convenient Perforated Rolls - Easy Use
- Made From Robust LDPE Resin
- Crystal Clear For Barcode Scanning
- Designed To Fit Standard Pallets
