

Sweed CL200 Automatic Cut to Length Strap Cutter

The Sweed CL200 Automatic Cut To Length Strap Cutter is a tough, reliable and economically efficient polyester strap cutter that eliminates repetitive cutting operations & increases worker safety.

The CL200 is simple to use, simply enter the length you want cut and how many, the cutter does the rest. Easily maintained and designed for years of industrial use, the CL200 'just works' and is a must have for any warehouse that straps regularly.

Polyester (PET) Strap
